Subject: Commitment to Provide CertDirectory Professional Tier Free of Charge to CNCF Community Groups

Dear Audra,

I am writing to formally confirm that CertDirectory commits to providing our Professional Tier subscription free of charge, in perpetuity, to all CNCF Community Groups.

This commitment includes:

- All current CNCF Community Groups already onboarded to the platform
- All future CNCF Community Groups that join the program
- Full access to Professional Tier features, including API automation and bulk badge issuing
- No expiration date — this offer remains valid indefinitely

This commitment is made in good faith to support the cloud native community and will not be revoked or modified to the detriment of participating community groups.

Please feel free to share this letter with the CNCF community and use it for any documentation purposes.

If you require any additional documentation or have questions, please don't hesitate to reach out.

Warm regards,

Sajeeva Nambadawa Vithanage
